## 2.) HOME ENERGY CONSERVATION PROGRAM

Delivered through Enbridge gas utility but applicable to all heating types, (yes, nat gas) including rural propane, oil and wood.

<https://enbridgesmartsavings.com/home-energy-conservation>

You pay for audits, do two recommended retrofits, and get up to \$5,000 back. Contact them, they'll walk you through and do an initial evaluation about whether it will genuinely be worth your while.

Cut to the chase – Home Energy Auditor for REAL – Alan Leonard – 613-864-3099

## 3.) SAVEONENERGY CONSUMER PROGRAM

The main portal for a few programs incl those above:

<https://saveonenergy.ca/Consumer.aspx>
